DEED OF TRUST WITH ASSIGNMENT OF RENTS

THIS DEED OF TRUST, made this 8th day of June, 1979, between ULAN P. RINKSTON AND LAVONA G. RINKSTON, his wife, herein called Trustor, and Nevada First Investment Corp., hereinafter called Trustee, and Nevada First Thrift, herein called Beneficiary.

WITNESSETH:

WHEREAS, Trustor is indebted to Beneficiary in the sum of TEN THOUSAND THREE HUNDRED THIRTY-SEVEN and 73/100 (\$10,337.73), with charges thereon according to the terms of a promissory note of even date herewith:

NOW THEREFORE, for the purpose of securing:

(a) The repayment of said promissory note with charges thereon and any and all renewals thereof and any and all renewals of any other indebtedness or obligations secured hereby; and

(b) Only to the extent permitted by the Nevada Thrift Companies Act, the repayment of any and all sums and amounts that may be advanced, or expenditures that may be made by Beneficiary subsequent to the execution of this Deed of Trust for the maintenance or preservation of the property or any part thereof covered by this Deed of Trust or that may be advanced or expended by Beneficiary pursuant to any of the provisions of this Deed of Trust subsequent to its execution, together with charges on all such advances or expenditures; and

(c) The repayment of any and all sums that may be advanced to Trustor by Beneficiary or indebtedness or obligations that may be incurred by Trustor to Beneficiary subsequent to the execution of this Deed of Trust, together with charges thereon.

Trustor grants, transfers and assigns to Trustee in trust and upon the trusts and agreements hereinafter set out, with power of sale, and, if there be more than one Trustee, then in joint tenancy upon the same trusts and agreements and with like power of sale, all that property and the improvements thereon, located in _____ County of Storey State of Nevada described as:

SEE EXHIBIT "A" ATTACHED

including the hereditaments and appurtenances thereunto belonging, all water rights and stock in water companies appurtenant thereto or connected therewith, and all the estate which the Trustor now has or may hereafter acquire in said property, TOGETHER WITH the rents, issues and profits thereof, subject, however, to the provisions of paragraph 8 (d) hereof respecting the occasions on which Trustee may collect and retain said rents, issues and profits.

TRUSTOR AGREES to do and perform each of the following:

(a) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws, conditions and restrictions affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereon; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(b) To insure said property and to keep all said property insured against fire in amounts satisfactory to Beneficiary, but such insurance protection shall at all times be in amounts at least equal to the amount of Trustor's unpaid indebtedness secured hereby. All policies of such insurance shall: (1) be insurance carriers approved by Beneficiary, (2) at request of Beneficiary be delivered to it, and (3) provide that any loss thereunder be payable to Beneficiary. The amount collected under any fire insurance policy may be applied by Beneficiary upon any indebtedness or obligation secured hereby or to the restoration of the damaged premises in such manner as Beneficiary may determine; or at the option of Beneficiary the entire amount so collected, or any part thereof, may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(c) To pay, at least ten days before delinquency, all taxes and assessments affecting said property, including assessments on appurtenant water stock, and to pay, when due, all encumbrances, charges and liens, with interest, and on said property, or any part thereof, which appear to be prior or superior hereto, and all costs, fees and expenses of this trust.

(d) To appear in and defend any action or proceeding purporting to affect the security hereof or title to said property or the rights or powers of Beneficiary or Trustee. To pay all costs and expenses, including cost of evidence of title and attorneys' fees in a reasonable sum in any such action or proceeding in which Beneficiary or Trustee may appear.

(e) If the loan secured hereby is to finance the construction, improvement, alteration or repair of said property, to perform or cause to be performed all acts necessary to complete all said work in accordance with any agreement between Trustor and Beneficiary.

Trustor further agrees that a failure on the part of Trustor to do and perform any of the foregoing shall constitute a default under this Deed of Trust.

THE PARTIES HERETO MUTUALLY AGREE:

1. Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor, from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon and take possession of said property for such purposes, to appear in and defend any action or proceeding purporting to affect the security hereof, or title to said property or the rights or powers of Beneficiary or Trustee, to pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto, and, in exercising any such powers, to pay necessary expenses, employ counsel and pay their reasonable fees. Trustor agrees to pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the interest rate set in the note, supporting this Deed of Trust.

2. By accepting payment of any sum secured hereby after its due date Beneficiary does not waive or in any manner affect its right to require prompt payment when due of all other sums so secured and to declare a default for failure of Trustor so to pay. The waiver by Trustee or Beneficiary of any default of Trustor under this Deed of Trust shall not be or be deemed to be a waiver of any other or similar default subsequently occurring.

3. Despite any contrary provision herein or in the promissory note of Trustor, Beneficiary shall have the absolute right to direct the manner in which the payments of proceeds shall be applied upon or allocated among the various items composing the Trustor's indebtedness.

4. Upon the written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender to Trustee for cancellation of this Deed of Trust and all promissory notes secured hereby, and upon payment of fees to Trustee, if any, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in any reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in any reconveyance may be described as "the person or persons legally entitled thereto."

5. At any time and from time to time, without liability and notice, upon the written request of Beneficiary and without affecting the personal liability of any person for payment of the indebtedness hereby secured, Trustee may do any of the following:

(a) Join in any extension agreement or any agreement subordinating the lien and charge thereon; (b) Reconvey any part of said property; (c) Consent to the making any map or plat thereof; (d) Join in granting any easement thereon.

Rec'd in not - BK 17 pg 382 Date of Recd - BK 17 pg 382

6. If any change or changes occur in the title to all or any part of said property, Beneficiary may without any notice or demand at its discretion and from time to time and without in any way impairing or releasing the obligations of Trustor hereunder do any of the following:

(a) Take, exchange or release security for any of the obligations now or hereafter secured hereby; (b) Extend the time for payment of said obligations; (c) Declare the whole or the balance of principal of said indebtedness secured hereby and the accrued charges to be due and payable immediately.

7. Unless directed in writing by Trustor or Beneficiary to do so and paid its reasonable charge therefor, Trustee is not obligated to request a copy of any notice of default and of election to sell or of any notice of sale under any other deed of trust, nor to notify any party hereto of any pending sale under any other deed of trust or of any action or proceeding to which Trustor, Beneficiary or Trustee shall be a party, unless such action or proceeding be brought by Trustee.

8. Whenever Trustor shall be in default in the payment of any indebtedness secured hereby or in the performance of any other agreement, obligation or condition in this Deed of Trust, Trustee or Beneficiary shall be entitled to do according to law any of the following:

(a) Take possession of said property or any part thereof; (b) Operate said property or any part thereof; (c) Do such acts as may be necessary to conserve the value of said property or any part thereof; (d) Collect and retain the rents, issues and profits from said property or any part thereof, either with or without taking possession.

In addition and without prejudice to such rights, Beneficiary shall have the right to have a receiver appointed to do any or all of the aforesaid things during any such default. Beneficiary's legal expense in procuring the appointment of a receiver shall be chargeable to Trustor. If a net profit be realized from the exercise of the powers herein conferred, it shall be applied upon the indebtedness secured hereby; if a net loss be realized, Trustor hereby agrees to pay the amount thereof to Trustee and/or Beneficiary, as their interests appear.

9. Whenever Trustor shall be in default in the payment of any indebtedness secured hereby or in the performance of any other agreement, obligation or condition in this Deed of Trust, Beneficiary may, at its option, declare all indebtedness, obligations and sums secured hereby to be immediately due and payable by delivery to Trustee of a written declaration of default. If Beneficiary desires said property or any part thereof to be sold, it shall deposit with Trustee this Deed of Trust and all promissory notes and documents evidencing expenditures secured hereby, and shall deliver to Trustee a written notice of default and of election to cause the property to be sold, in form required by law, which shall be duly filed for record by Trustee or Beneficiary.

When the time required by law shall have elapsed after recordation of such notice of default and election, Trustee shall give notice of sale as then required by law and, without demand upon Trustor, shall sell said property at the time and place of sale fixed in said notice of sale. Beneficiary may, without liability on its part, designate whether said property shall be sold as a whole or in separate parcels and, if in separate parcels, the order in which said parcels shall be sold. The property shall be sold at public auction to the highest bidder for cash. The purchase price shall be payable at the time of the acceptance of the bid. The sale shall take place at some place in the county wherein the said property is situated and, if situated in different counties, then in any county in which any part of the property is situated. Trustee may act through an attorney, auctioneer or other agent in all proceedings connected with the sale. Any person, including Trustor, Trustee and Beneficiary, may purchase at the sale. Trustee may postpone the sale of all or any portion of said property from time to time by public announcement at the time and place of sale as fixed in said notice of sale or as fixed by public announcement of postponement. Upon payment of the full purchase price, Trustee shall deliver to the Purchaser a deed conveying the property to sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matter, proceedings and facts shall be conclusive proof of the truthfulness and regularity thereof. The receipt for the purchase money contained in any such deed shall discharge the purchaser from all obligations with reference to the proper application of the purchase money by Trustee.

10. After deducting all costs and expenses of sale, and all costs and expenses of Trustee and this trust, including fees to the Trustee and of counsel employed by Trustee and/or Beneficiary for the purpose of exercising the power of sale hereunder, or for any other purpose in connection with this instrument and the cost of evidence of title in connection with the sale, all such charges, costs and expenses, etc. Trustee shall apply the proceeds of sale, first, to the payment of all sums expended under the terms of this instrument, not then repaid, with accrued interest at ten percent per annum; and second, to the payment of all other sums then secured hereby, in such order and manner as may be designated by Beneficiary; the remainder, if any, to be paid to the person or persons legally entitled thereto.

11. (a) In addition to any of the powers or remedies conferred upon the Trustee and the Beneficiary or either of them under this instrument, either the Trustee or Beneficiary or both may bring an action in the proper court for the foreclosure of this instrument as a mortgage and obtain all the remedies in such action that are given by any statute or law of the State of Nevada (b) No power or remedy herein conferred is exclusive of or shall prejudice any other power or remedy of Trustee or Beneficiary. (c) Each such power and remedy may be exercised from time to time as often as is deemed necessary.

12. In case of suit being commenced for the foreclosure of this Deed of Trust, the Trustor agrees to pay to the Beneficiary or Trustee (whichever may be the plaintiff in said suit) whether such suit be brought to a decree or not: (a) fees therein the sum allowed by court, and (b) such further sums, if any, as Beneficiary or Trustee shall have procuring an abstract for search of the title to, said property subsequent to the execution of this Deed of Trust, and (c) A reasonable fee.

In such suit of foreclosure, the plaintiff therein shall be entitled without notice to the appointment of a receiver to take possession of and operate said property and to collect and receive the rents, issues and profits of said property, and to exercise such other powers as the court shall confer. All moneys herein agreed to be paid shall be secured hereby.

13. Trustee and Beneficiary shall be entitled to enforce any indebtedness or obligation secured hereby and to exercise all rights and powers under this deed of trust or under any other agreement or any law now or hereafter in force, although some or all of the indebtedness and obligations secured hereby are now or shall hereafter be otherwise secured, whether by mortgage, deed of trust, pledge, lien assignment or otherwise. Neither the acceptance of this Deed of Trust nor its enforcement, whether by court action or pursuant to the power of sale or other powers herein conferred, shall prejudice or in any manner affect Trustee's or Beneficiary's right to realize or enforce any other security now or hereafter held by Beneficiary or Trustee in such order and manner they or either of them may in their uncontrolled discretion determine.

14. Trustor hereby declares that this conveyance is irrevocable, and that if two or more persons be named as Trustees herein this Deed of Trust shall be construed as a conveyance to them as joint tenants with full right of survivorship. Beneficiary may from time to time substitute a successor or successors to any Trustee named herein or acting hereunder to execute this trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any Trustee named herein or acting hereunder. Each such appointment and substitution shall be made by written instrument executed by Beneficiary, containing reference to the Deed and its place of record, which when recorded in the office of the County Recorder of the county or counties in which the property is situated, shall be conclusive proof of proper appointment of the successor trustee. The foregoing power of substitution and procedure is provided for by law for the substitution of the trustee or trustees in the place of the trustee or trustees herein named.

15. Any award of damages in connection with any condemnation for public use or injury to said property, or any part thereof, is hereby assigned and shall be paid to Beneficiary, who may apply or release the money received by it in the same manner and with the same effect as above provided for the disposition of the proceeds of fire insurance.

16. Any Trustor who is a married woman and who has joined in the execution of any promissory note or notes secured by this Deed of Trust hereby expressly agrees and assents to the liability of her separate property for all such indebtedness. Such agreement and assent, however, shall not be deemed to create a present lien or encumbrance upon any of her separate property not herein described.

17. The provisions of this Deed of Trust are hereby made applicable to and shall inure to the benefit of and bind all parties hereto and their heirs, legatees, devisees, administrators, executors, successors and assigns (including a pledgee of an indebtedness secured hereby). The masculine gender includes the feminine and/or neuter, and the singular number shall include the plural. Should more than one person execute this Deed of Trust, as Trustor, the undertakings of the Trustor herein contained shall be deemed to be their joint and several undertakings.

The undersigned Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to him at his mailing address set opposite his signature hereto.

18. Notwithstanding anything to the contrary herein set forth, the Trustor shall not be liable and there shall not be collected from him, any sums of money for charges, collection expenses, attorney's fees, insurance premiums, fees, expenses, etc. in excess of those permitted by the Nevada Thrift Companies Act.

19. Should the Trustor convey or alienate said property or any part thereof or any interest therein or shall be divested of his title in any manner or way, whether voluntary or involuntary any indebtedness or obligation secured hereby, irrespective of the maturity date expressed in any note evidencing the same at the option of the holder and without demand or notice shall become due and payable immediately.

IN WITNESS WHEREOF, Trustor has executed these presents the day and year first above written.

PROVISIONS TO BE INSERTED IN OVER-RIDING DEED OF TRUST

This deed of trust is subject and subordinate to a prior deed of trust dated June 8, 1979 executed by Ulan P. Pinkston and Lavona G. Pinkston as Trustor to Nevada First Investment Corp. as Trustee, to secure an indebtedness in the original amount of \$ 10,337.73 to Nevada First Thrift recorded June 18, 1979 in Book 17 of Official Records of said County of Storey, Page 382.

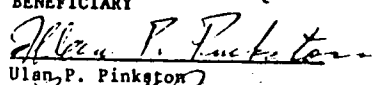

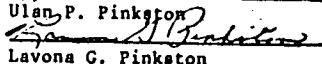

The sum of \$ 2,225.00 of the principal amount of the note secured to be paid by this deed of trust represents the unpaid principal balance of the promissory note secured by the above mentioned deed of trust, which principal balance, together with the interest thereon the beneficiary herein hereby assumes and agrees to pay; and said beneficiary agrees to hold the trustor herein free and harmless in connection with any claim or demand arising out of or in connection with the said note in favor of Nevada First Thrift and the deed of trust securing payment thereof, and to have the principal balance of said last mentioned note together with the interest thereon paid in full and the deed of trust securing payment thereof released of record prior to the date when the principal amount of the note secured by this deed of trust and the interest thereon, shall have been paid in full. In the event of any default in the payments of the promissory note secured by the deed of trust first above mentioned or any of the provisions of said deed of trust, the trustor herein shall have and is hereby given the right to cure any such default and thereupon take and receive credit therefor, which credit shall immediately thereupon apply on the amount or amounts due or to become due under this deed of trust and the promissory note secured hereby.

Beneficiary agrees that in the event of foreclosure of this overriding deed of trust he will at the Trustee's sale bid an amount representing the amount then due upon the obligations secured hereby, less the then actual total balance due upon any obligations secured by any and all deed of trust having priority over this over-riding deed of trust and covering the above described real property or any portion thereof, plus any advances or other disbursements which beneficiary, his successors, or assigns, may by law be permitted to include in his bid. Any notice of sale shall so state the conditions of the beneficiaries bid and that the sale shall be made for the highest bid for the equity offered for sale.

SECURITY — DEED OF TRUST

To secure payment of all HECL account balances of Customer by Deed of Trust, Customer hereby irrevocably grants, bargains, sells, assigns, conveys, confirms and transfers to the Trustee/Beneficiary, in Trust with Power of Sale, the following real property ("Property") located in STOREY

County, Nevada: 1795 MAIN STGOLD HILL, NV 89440

SEE EXHIBIT 'A' ATTACHED HERETO & MADE A PART THEREOF

That Property includes all buildings, improvements, fixtures, equipment, and any other apparatus there, and all legal interest and property rights involved, and all proceeds payable to Bank as loss payee under any Property Damage Insurance or Flood Insurance relating to the Property. The security means that if Customer doesn't pay or perform as agreed, or breaks a promise in this Deed of Trust/Home Equity Credit Line agreement, the Trustee/Beneficiary holds the title to the Property in Trust and has the irrevocable power to sell or foreclose the Property as provided by law, if it desires. This Deed of Trust secures HECL balances only and HECL balances customer may owe Bank may be covered by any other security held by Bank as indicated:

To the extent consistent with the other terms hereof, Covenants Nos. 1, 2, 3, 4, 5, 6, 7, 8 and 9 of NRS 107.030 are hereby adopted and made a part of this Deed of Trust. The amounts relating to Nos. 2, 4, and 7 shall be as otherwise set forth herein. In the event of a default in the performance or payment under this Deed of Trust or the Security for which this Deed of Trust has been executed, any notice given under NRS section 107.080 shall be given by registered letter to Customer at Customer's address as shown on Bank records and such notice shall be binding upon the Customer, and any assignee or grantee of the Customer.

You hereby grant to Bank a lien upon, a security interest in, and a right of set-off against, any and all of your monies, credits, securities, and other property of every kind and description now or hereafter in the possession or control of or on deposit with Bank, or with any agent or bailee for the Bank, whether held in a general or special account or deposit, or for safekeeping or otherwise; and every such lien, security interest and right of set-off may be exercised without demand upon, or notice to, you. No lien, security interest or right of set-off shall be deemed to have been waived by any act or conduct on the part of the Bank, or by any neglect to exercise such right of set-off, or to enforce such lien or security interest, by any delay in so doing, and every right of set-off and lien shall continue in full force and effect until such right of set-off or lien is specifically waived or released by an instrument in writing executed by Bank. You acknowledge that any and all monies, negotiable instruments, documents of title, securities, deposit accounts, and other cash equivalents in which the Bank has hereby been given a lien upon, security interest in and right of set-off against, shall constitute and be treated as "cash collateral" as defined in the Bankruptcy Reform Act of 1978, as such may be amended from time to time. You further acknowledge that the lien, security interest and right of set-off granted hereunder is in addition to all liens and rights of set-off otherwise available at either law or equity against your monies, securities and other property.

WARRANTY BY CUSTOMER

Customer promises it has good, merchantable, full and clear title to the Property, except for any known easements, water-use interests, reported restrictions, patent reservations, or other liens of record as of this date, and that it will continuously occupy the Property granted as collateral security as its primary residence.

TAXES

Customer promises to pay all taxes, assessments, and other charges on the Property when due.

INSURANCE

Customer promises to keep the Property insured in the full amount of the HECL plus all other prior mortgage or other lien balances against fire, flood hazard (if any), and other casualties at all times by an insurance company acceptable to Bank. Customer promises to furnish Bank with a loss-payable clause to benefit Bank and to furnish proof of such coverage and payment of premiums. This fire, flood (when applicable), and extended coverage insurance is required by the Bank when HECL is secured by a Deed of Trust. Customer agrees to notify Bank immediately of any loss and to make proper proof to the insurance company. The insurance policy must also state that Bank will be notified before the Policy's cancellation. If Bank gets payment from insurance company for a loss, it can use the money to either repay amounts that Customer owe Bank or to repair the Property.

PAYMENTS ON CUSTOMER'S BEHALF

If Customer fails to make any required payments, such as for taxes or insurance, Bank can make those payments on Customer's behalf. Customer must repay Bank immediately for those payments and any reasonable attorney's fees extended to enforce any of the terms of this Deed of Trust/HECL Agreement, with interest at a rate of 5% per year in excess of the current stated annual percentage rate applicable to HECL balances from disbursement until paid. This deed of Trust/HECL Agreement secures payments of those amounts. NOTE: Bank does not have to make the payments for the customer if it doesn't want to.

CONDITION OF PROPERTY

Customer promises to keep the Property in good repair and will not let any harm come to it. If any government condemns or takes the Property, Customer agrees that any money received for that taking will go first to repay the total amount that Customer owes Bank under this HECL account.

SALE OF PROPERTY

If Bank exercises its right relative to the Security in any way, or if Bank forecloses on this Deed of Trust or exercises its power of sale, complete title to the Property and the associated policies will automatically pass to the new purchaser. Before foreclosure or sale of Property, Bank will give Customer notice of such intended disposition as required by law.

HOMESTEAD EXEMPTION

Customer hereby states its intent to waive and abandon all homestead exemptions on the Property granted by law. NOTICE: By signing this Deed of Trust/HECL Agreement, to the extent permitted by law, Customer waives all rights provided by law to claim such Property exempt from process.

OTHER RIGHTS

Bank may, but is not required to, appear in or defend any action that might affect the Property or Bank's security in the Property.

CUSTOMER DEFAULT & BANK REMEDIES

Customer will be in default under this Deed of Trust/HECL Agreement if it fails to make any required payment when due; breaks any promises to Bank made in this Agreement; Files or has filed against it bankruptcy or other insolvency proceedings; fails to make any other agreed payments, such as assessments or taxes, on the Property or takes other action which Bank reasonably concludes will impair its collateral security values; or fails to continuously occupy the Property as the primary residence, or sell or transfer the Property without immediately substituting equivalent security acceptable to Bank; or fails to obtain and maintain Property Damage and Flood Insurance continuously in amounts which cover all prior liens on the Property and the HECL balance secured herein. Upon such default, Bank may terminate all further HECL privileges, and demand, sue for and collect all outstanding HECL balances immediately and without regard to the usual repayment schedule. In the event of legal action relating to the HECL account of the Property, reasonable attorney's fees and costs will be payable by Customer.

SUBSTITUTION OF COLLATERAL UPON BANK APPROVAL

Customer must notify Bank of any changes in ownership of the Property and must, before the change is complete, substitute equivalent security which is acceptable to Bank to replace the Property being transferred. Customer will be in default under this Agreement if it fails to make such notification and collateral substitution. Bank may terminate all HECL privileges, deny Customer the use of any remaining unused amount of the HECL credit limit, and require all HECL outstanding balances to be paid over the regular and agreed time period determined by the HECL Minimum Monthly Payment requirements. (Customer may, of course, pay such additional amounts as it wishes, without penalty.)
